

# Get In The Action!

Frontier Drum and Bugle Corps is holding a camp November 22, 2008 at UTA.

For four years now, Frontier has grown the All-Age Drum Corps activity in North Texas. As the corps embarks on its 5<sup>th</sup>, year key performers are vital to success.

Frontier provided young musicians the opportunity to hone their skills prior to marching in the DCI ranks (former members have gone on to earn spots in Pioneer, Capital Regiment, Blue Stars, and the Madison Scouts), given adults the opportunity to play and march again, and veterans of DCI corps the opportunity to relive the passions of playing with a drum, bugle, or color guard equipment in their hands.

The camp is from 9AM to 7 PM. The address is:  
UT Arlington - Fine Arts Building  
700 Greek Row Dr.  
Arlington, TX 76019

If you play a wind or percussion instrument, or have dance or color guard experience, we can help you enjoy your summer!
